

(What Shall We Do With a) Drunken Sailor

What shall we do with the drunken sailor? What shall we do with the drunken sailor? What shall we do with the drunken sailor? Ear-lye in the morning

Chorus: *Hoo, way, up she rises Hoo, way, up she rises Hoo, way, up she rises Ear-lye in the morning*

Put him in the long boar til he's sober.../ Ear-lye in the morning

Shave his belly with a rusty razor

Put him in the cabin with the captain's daughter

Keel haul him til he's sober

Put him in a leaky boat and make him bail her

Tie him to the scuppers with the hose pipe on him

Tie him to the topmast while she's yardarm under

Heave him by the leg in a running bowline

...Ear-lye in the morning
